**LOUISVILLE COURIER-JOURNAL NAMES EBLU SOLUTIONS  
A WINNER OF THE GREATER LOUISVILLE AREA TOP WORKPLACES 2022 AWARD**

Louisville, Kentucky October 30, 2022 - eBlu Solutions has been awarded a Top Workplaces 2022 honor by The Courier-Journal Top Workplaces. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The confidential survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

**ABOUT**

eBlu Solutions provides a secure software platform for electronic prior authorization and benefits verification in the infusion-based specialty medication space. eBlu Solutions aims to streamline the fragmented nature of the approval process for specialty medication treatments, and currently supports a variety of specialties including rheumatology, neurology, gastroenterology, and allergy & asthma. eBlu’s initial partnerships have been with pharmaceutical companies, HUBs, and IMCs to make treatment less burdensome for patients, practices, and providers across the country.
